Our Lady of the Holy Spirit Council 11582

Dear Brother Knights of Council 11582

CONGRATULATIONS!!! Everyone deserves a large round of applause. As of last night we have completed and presented all the necessary requirements to achieve a Star Council. This does not guarantee our council will receive this award; however, it is a great accomplishment regardless of the outcome. I'm a firm believer that success breeds success, so the upcoming year should be filled with more excitement. More events, new brothers, and more participation will be planned for the 08-09 fraternal year.

In June we completed another road clean up and added the youth group for the first time and hope to do this again in next year. We also finished our bible campaign to raise money for bibles to be handed out to those incarcerated in the Macon County Correctional Facility in Decatur. Thank you to everyone who participated in these events and all the events over the last year. I expect everyone to **participate** next year in what ever event or ministry you are able. The positive effects our council has on the community, church, family and youth are directly related to everyone's involvement and what a great way to show do good works for God. We set our goals in the parameters of Supreme with the ideas charity, unity, fraternity and patriotism. Some say freedom isn't free. I think we are a great example of how it can be free and why it should be. Thank you again to all of you for your efforts and support over the last year. Get ready for another exciting year. Officers will be setting goals in August for the upcoming year, so please if you have any ideas share them with me or any of the elected officers for the next year.

Thank you for your help and God Bless.

Our next meeting will be July, 23<sup>rd</sup> at 6:30 pm in the church hall. I hope to see you there.

Please pray for Terry Nelson, Art Morgan and JC Nashland during their recoveries.

**Star Council**  
**100%**
